On May 14 2019, Chairman Ms. Sabrina Chao was elected President Designate of The Baltic and International Maritime Council (BIMCO) and joined the board of directors at its General Meeting in Athens. She will take over from the first female president, Turkish shipowner Şadan Kaptanoğlu, in 2021. BIMCO, founded as “The Baltic and White Sea Conference” in Copenhagen in 1905, is now the world’s oldest and largest international shipping association with more than 2,100 members from all over the world. BIMCO provides a wide range of services to global shipowners, operators, managers, brokers and agents.
